HARVEY M. VERIAN

Bacoor City, Cavite | verianharvz@gmail.com | 0948-503-4766 | Portfolio: vrhz07.github.io/portfolio/

PROFESSIONAL SUMMARY

Recent BS Information Technology graduate with IT support internship experience in Windows OS installation, PC and printer troubleshooting, and end-user assistance. Built practical skills through Windows Server/Active Directory, shared-folder permissions, basic networking, and simulated helpdesk troubleshooting labs. Seeking an entry-level IT Support, IT Staff, or Helpdesk role.

TECHNICAL SKILLS

IT Support: Windows installation, PC hardware and software troubleshooting, printer support, end-user assistance, basic issue documentation

Windows & Active Directory (homelab): Windows Server 2022, AD user/group management, password resets, account unlocks, OUs, Group Policy, shared folders, NTFS permissions

Networking Fundamentals: TCP/IP, IP addressing, DNS, DHCP, default gateways, ping, ipconfig, nslookup; Cisco Packet Tracer (guided labs)

Tools: VirtualBox, Windows Task Manager, Event Viewer, Reliability Monitor, Microsoft Word and PowerPoint; Git and VS Code (basic familiarity)

PROFESSIONAL EXPERIENCE

IT Support Intern (OJT) | Movers Institute of Technology and Education, Las Piñas City | Mar–Jun 2026

- Installed Windows Server and Windows client operating systems using bootable installation media.
- Collaborated with IT staff to diagnose and troubleshoot printer issues, including hardware inspection and basic repair procedures.
- Assisted with Windows hardware/software troubleshooting and provided basic technical support to faculty and staff.
- Supported setup and testing activities for RFID-based attendance and accounting systems.

Data Entry Specialist (SPES) | Golden Acres Vaccination Site, Bacoor City | Jun–Nov 2022

- Encoded and verified records for accuracy and supported daily administrative and intake operations.
- Assisted patients at the front desk and directed inquiries to the appropriate personnel or process.

TECHNICAL PROJECTS & PRACTICAL TRAINING

Active Directory & Windows Server Homelab | Personal Project | 2026

- Deployed a Windows Server 2022 domain controller in VirtualBox and joined a Windows client to the LAB.local domain.
- Practiced AD user/group administration and configured departmental shared folders with security groups and NTFS permissions.
- Created and tested user Group Policy restrictions, OU inheritance, Block Inheritance, and Enforced GPO links.

Basic Network Configuration Lab | Cisco Packet Tracer | 2026

- Built simulated multi-department networks and practiced guided VLAN, DHCP, IP addressing, and connectivity testing exercises.

Helpdesk Troubleshooting Simulations | SysDesk; ServiceDesk Simulator | 2026

- Practiced simulated tickets involving Windows performance, DNS, DHCP, connectivity, and access issues; documented investigation steps and findings.

EDUCATION & TRAINING

Bachelor of Science in Information Technology | Cavite State University – Bacoor Campus | Sep 2026

Training: Introduction to Cyber Security (Dec 2025); Digital Awareness (Oct 2025)
